	SECTION: 5.2 OH&S Policy		
	Title: Pruitt OH&S Policy		

Management of **Pruitt Tool & Supply Co.** (Pruitt) is committed to continual improvement of the Occupational Health and Safety Management System (OH&SMS) by fulfilling legal and other requirements, eliminating hazards and OH&S risk, providing safe and healthy working conditions, and enabling consultation and participation of workers and their representatives.

The framework for setting OH&S objectives is defined in the OH&S Manual.

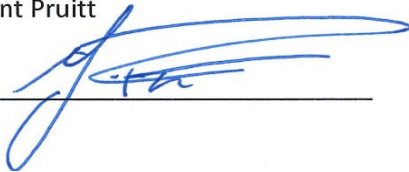

All employees of Pruitt are acting to prevent injuries and health impairment through:

- Following the principles and meeting requirements of ISO 45001:2018.
- Continual education to prevent injuries and impairment of health and improve the OH&SMS effectiveness.
- Continual education for safe work in all workplaces in Pruitt.
- Exploration of new materials and equipment to decrease the workplace risk level.
- Proactive management of changes in the OH&S Management System.
- Enabling consultation and participation with employees, subcontractors, and visitors, considering the nature of work and natural hazards that exist at every workplace.

CEO is responsible for communicating the OH&S Policy to all persons working for or on behalf of the organization and making it available to interested parties.
